"Tech for Community Connection"

Craft a platform linking students, pros, tech firms, and schools, driving skill growth, mentorship, and networking in Buffalo's tech and start-up landscape

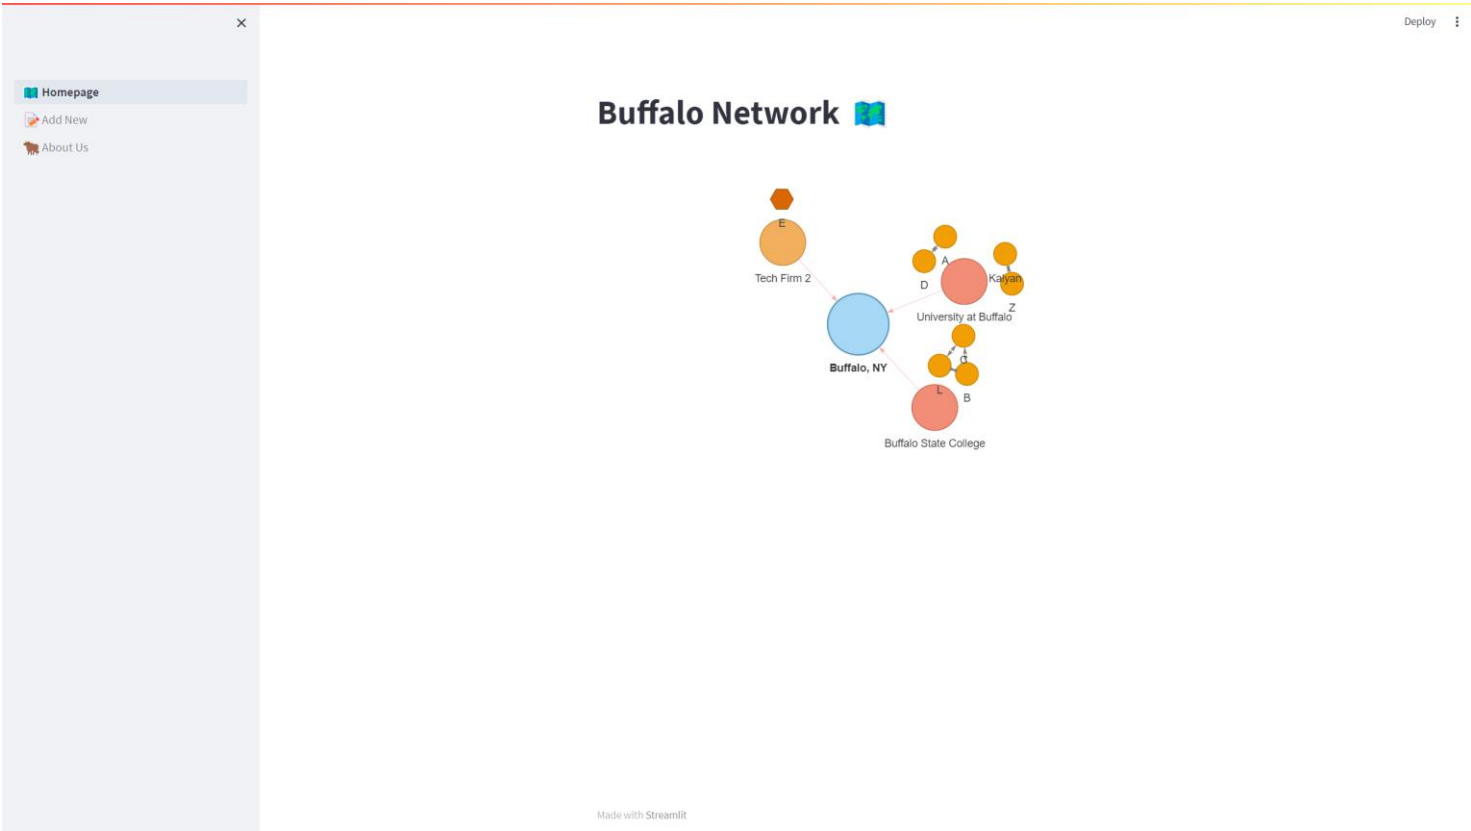

“SOLUTION”

A small web application which simplifies how a community looks like visually and where does a person fit in. Connecting with People should not be complex task, we are trying to make it elementary :)

“MVP”

- Simple
- Accessible
- Visual

“MENTORS”

- Maeve Rositzke
Software Engineer, M&T Bank
- Ryan Brown
Principal Engineer, Crunchyroll

“DEMO”

Enjoy :)
